The writer known as Pi_rational, exists in the space between reality and fantasy.

Between light and dark.
Between rational and irrational.

In this space, she writes her stories. Anthology style stories, released episodically.

Narrated by the finest voices in the business.

Conceived in a dark corner of the universe.

Pi_rational Stories premiered on the Crawlspace Media Network in October of 2019. In just over a year's time, Pi_rational has released 5 haunting, thought-provoking seasons and two terrifying specials.
